

# Cardiff Leaseholders Day - 11th November 2008

**LEASE - The Leasehold Advisory Service -  
is holding an open day in Cardiff City Hall on  
Tuesday 11th November 2008 from 10am**

LEASE provides free legal advice to leaseholders, landlords, professional advisers, managers and others on the law affecting residential leasehold and commonhold. As an Executive Non Departmental Public Body (ENDPB) it is funded by the Government.

Cardiff Council will be hosting the event, which will be an information day aimed at Local Authorities leaseholders, Registered Social Landlord leaseholders or Private Landlord leaseholders. The all day event will give a chance for leaseholders to gain greater knowledge on aspects of leasehold ownership. There will be speakers from LEASE and a chance for leaseholders to discuss important issues with their advisors and each other.

A detailed itinerary and timings are yet to be developed but provisionally the day will consist of a morning containing a number of general talks on service charges, major works, leaseholder consultation and the role of Leasehold Valuation Tribunals. The afternoon may then be given up to surgeries or workshops to discuss specific topics in more detail.

The conference is free but spaces will be limited so we need to have an indication of your likely attendance. If you would like to attend can you please book your place by telephoning Cardiff Council, Leasehold & Estate Services on (029) 2053 7404 by **1st October 2008**.
