Dear resident,

Redevelopment of Capitol building

We recently discovered that a developer is planning to build 164 apartments on the Capitol building site.

There will still be shops on the site so the new tower will reach 20 storeys.

Your local Lib Dem Focus Team would like to know what you think about the proposals so that we can represent your views to the Council's Planning Committee. Our phone numbers and email addresses are below, or you can write to us at the address above.

If you wish to view the plans, they are available for inspection at the Council planning offices in City Hall. You can also write to the Planning Department yourself to comment on the proposals but the deadline for this is Friday 29th February 2008. Any comments you may have should be sent to the address below:

Development Control, Regulatory Services, City Hall, CARDIFF, CF10 3ND

Please remember to quote the planning application number **08/00190/C** when you write.

If you have any other concerns, please don't hesitate to contact either one of us using the details below. Your Liberal Democrat councillors hold advice surgeries at 11am every Saturday at Cathays Library.

Many thanks,
