Dear

**RE: PROTEST**

I have been advised today that there will be protest on the Pizza area this Saturday at 1400 against British Gas. We have no details as the number of people expected or the 'liveliness' of the protest but to ensure your safety and to limit disruption the Piazza entrance will be locked all day and entrance to the building will be through the car park side.

Should you experience any issues on this day due to the protest, please report immediately to Concierge.

Should you have any queries, please do not hesitate to contact me on 07791 885540.

Kind Regards
