RETAILER Spar is opening a new outlet at the Landmark Place residential development in the centre of Cardiff. Property agents King Sturge has let a 1,900 sq ft ground floor retail unit on 15-year lease to the company.

The Cardiff office of King Sturge acted for developer St David Homes, which has created 280 luxury apartments and penthouses on 16 floors above four floors of commercial space at Landmark Place.

The deal follows on from the recent leasing of 15,500sq ft on the ground and first floors to independent fashion retailer Flannels.
