

Dear Residents,

It has come to my attention that the newly opened nightclub at the end of Churchill Way called Pulse will this weekend be open until 5am on Friday and Saturday and intends to open until 4am on Sunday.

I for one have found the noise generated from this establishment to be quiet unbearable over the last few weeks and can only imagine it to get worse with their extended opening hours. I know that inner-city living does come with increased noise but this to just too much, there was never this amount of noise in the past.

I have already contacted Cardiff Council and I urge you to do the same if you like me are already fed up with the excessive noise that's been generated with no thought for the residents who live here.

Cardiff Council can be contacted on 20920 871 854
Sarah Brown is the contact there who will be able to help with any objections you may have.

Thank You for you time with this matter.
