

Dear Residents.

Have any of you noticed that the new bar 'Pulse' are in the process of applying for an even later license? They now want to open until 3am on Wednesday, 6am on Fridays and Saturdays and even 8am once a month! I already find the noise levels from the venue unacceptable and can only imagine that this problem will worsen if they are aloud to open later.

I have already contacted Keith James at Cardiff City Council Licensing department to object to them allowing this to happen. I would urge you to do the same if you like me are already fed up with noise from this venue. We have until the 10th July to get this blocked and keep some level of peace for your home life.

Thank you.
