Dear Mr. Winter

"Pulse Mardi Gras" Event, Churchill Way, 1 & 2 September 2007

I understand you have recently written to Councillor Rodney Berman regarding the above. You will receive a response to that letter in due course.

I am currently investigating complaints from a number of other occupants of Landmark Place regarding noise disturbance from the above event.

You may be aware that the Premises License granted allows this event to occur again next year. Pollution Control intends to apply for a formal review of the License if appropriate and this will recommend changes to try and reduce the likelihood of disturbance in the future.

If you were personally disturbed by the above event and would be willing to give evidence to support a review of the License, I would be grateful if you would contact me using the details below to organise an appointment for me to meet you to take a witness statement from you.

Yours sincerely,

Jonathan Keen
Environmental Health Officer
Pollution Control Division
